The Abstract can be written in **English, French or Spanish** using the provided **Abstract Template**.

The presenting author must be listed as the first author.

Do not use capital letters for the title of the Abstract except the first one of the first word and when necessary: acronyms, proper nouns...

Please name the abstract file with the name of the presenting author and **upload** the file through the dedicated submission system (as shown below).

The abstract is not successfully submitted until the author receives a confirmation e-mail after clicking the submit button. If the author does not receive a confirmation e-mail, he is kindly requested to contact the Organizing Secretariat MCC (events@mccstudio.org).

Please also note that an author submitting an abstract is not automatically registered for the Conference: regular **registration** is compulsory and involves payment of the registration fee.

All authors wishing to present their work (including co-authors who will serve as speakers) must be **registered for the conference before the Early Bird deadline** to be included in the official program.

The presenting author will be notified of his/her abstract acceptance by e-mail.
